DATES: Comments on the Staff Report must be received on or before July 15, 2013.

ADDRESSES: Interested parties may file a comment online or on paper, by following the instructions in the Request for Comment part of the SUPPLEMENTARY INFORMATION section below. SUPPLEMENTARY INFORMATION: The MTOR prohibits sellers from soliciting mail or telephone order sales unless sellers have a reasonable basis to expect that they will be able to ship, after receipt of a properly completed order, the ordered merchandise within the time stated on the solicitation or, if no time is stated, within 30 days. The MTOR further requires a seller to seek the buyer’s consent to the delayed shipment when the seller learns that it cannot ship within the time stated or, if no time is stated, within 30 days. If the buyer does not consent, the seller must promptly refund all money paid for the unshipped merchandise.

On September 11, 2007, as part of its rule review process, the Commission published a request for public comment, which also served as an Advance Notice of Proposed Rulemaking. It then published a Notice of Proposed Rulemaking (ANPRM) in 2011.

Pursuant to the Commission’s Rules of Practice, and the rulemaking procedures specified earlier in the NPRM, the Commission now announces the availability of the Staff Report on the MTOR. The Staff Report summarizes the rulemaking record to date, and sets forth the staff’s recommendation that the Commission revise the Rule to respond to new methods of accessing the Internet and making payments and refunds. The Staff Report has not been endorsed or adopted by the Commission. The Staff Report to the Federal Trade Commission and Proposed Revised Trade Regulation Rule for the Mail or Telephone Order Merchandise Rule is available at the FTC’s Web site at http://www.ftc.gov/ftc/regreview/index.shtml. A paper copy can be obtained from the FTC Public Reference Room, Room 130–H, 600 Pennsylvania Avenue NW., Washington, DC 20580, either in person or by calling (202) 326–2222.

The Commission invites interested parties to submit written data, views, and arguments on the recommendations announced by the Staff Report by following the instructions in the ADDRESSES section of this notice. Comments previously submitted in the ongoing rulemaking procedures are already part of the rulemaking record and need not be repeated.

Minimum Value of Eligible Employer-Sponsored Plans and Other Rules Regarding the Health Insurance Premium Tax Credit

AGENCY: Internal Revenue Service (IRS), Treasury.

ACTION: Notice of proposed rulemaking.

Notice 2012–31 (2012–20 IRB 910) requested comments on methods for determining whether health coverage under an eligible employer-sponsored plan provides minimum value (MV). Final regulations under section 36B (TD 9590) were published on May 23, 2012 (77 FR 30377). The final regulations requested comments on issues to be addressed in further guidance. The comments have been considered in developing these proposed regulations.

Minimum Value

Individuals generally may not receive a premium tax credit if they are eligible for affordable coverage under an eligible employer-sponsored plan that provides MV. An applicable large employer (as defined in section 4980H(c)(2)) may be liable for an assessable payment under section 4980H if a full-time employee receives a premium tax credit.

Under section 36B(c)(2)(C)(i)(I), a plan fails to provide MV if the plan’s share of the total allowed costs of benefits provided under the plan is less than 60 percent of the costs. Section 1302(d)(2)(C) of the Affordable Care Act provides that, in determining the percentage of the total allowed costs of benefits provided under a group health plan, the regulations promulgated by the Secretary of Health and Human Services (HHS) under section 1302(d)(2) apply. HHS published final regulations under section 1302(d)(2) on February 5, 2013 (78 FR 12924). The HHS regulations at 45 CFR 156.20 define the percentage of the total allowed costs of
